Ms Snyder,
How insulting to hold a meeting 9-4 Eastern time (3AM to 10AM Hawaii time.) Have you no shame?

Hello,

I am the NRC Project Manager for the license that the NRC issued to the U.S. Army for depleted uranium from Davy Crocket spotting rounds. I wanted to let you know that the NRC staff will hold a meeting on March 24, 2015 from 9:00 a.m. to 4:00 p.m. (Eastern Time) about this license. The Army plans on submitting its application to add the remaining sites to be licensed. The Army intends to address all of the sties, to include the Army's Hawaiian installations, in its application.

The meeting announcement information can be found at:
<http://meetings.nrc.gov/pmns/mtg>. The public is invited to observe this meeting and will have one or more opportunities to communicate with the NRC after the business portion of the meeting but before the meeting is adjourned. If you are interested in calling in to this meeting via a toll-free teleconference, please contact me and I will provide you with the needed information.

Thank you
