Mr. Brian Castro

National Ombudsman and Assistant Administrator

409 3rd Street, SW, MC 2120
Washington, DC 20416-0005

Dear Mr. Castro:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter dated December 19, 2014. This letter requests a review of the NRC's small business size standards and related license fees as they pertain to Inter-Mountain Laboratories, Inc. (IML).

On February 24, 2015, the NRC received a separate letter from IML requesting exception/ waiver for full cost fees and asked the NRC to apply the small business standard for their current fees. Based on the Small Business Administration's North American Industry Classification System code that IML conducts business under, the NRC has determined that IML's request satisfies the criteria under 10 CFR 171.11(c); therefore, the fee adjustment request has been granted.

Please contact Mr. David Holley, of my staff, at (301) 415-7325 for any questions.

Sincerely,

/RA/
