Dear NRC Secretary,

Please find attached two petitions for leave to intervene and request for hearing.

I could not submit these electronically via the NRC's EIE system, despite three days of trying with the assistance of the EIE tech support team, so I am submitting them via email.

(I urge the NRC to upgrade its EIE system, which seems to be using software that is more than a decade old and is incompatible with modern Internet browsers.)

Thank you for your attention.

Sincerely,

Alan J. Kuperman, Ph.D.
