Device Registry Number
IL-1079-D-102-G

Traci Kime
U.S. Nuclear Regulatory Commission
11545 Rockville Pike
MS: T8F5
Rockville, MD 20852

Dear Ms. Kime:

Enclosed are attachments for device registry number IL-1079-D-102-G. These attachments were inadvertently omitted from the original submittal dated March 5, 2015. A copy of this has also been provided to David Smalley of Indev Gauging Systems, Inc.

If you have any questions, please feel free to call. Please visit the nuclear safety section of the Agency's website at www.iema.illinois.gov/iema/dns.asp for the latest information concerning the Agency's radiation safety programs. The Agency supports the U.S. NRC in its emphasis of the critical importance of an active and positive safety culture. Please visit our website for this and other important information such as new and proposed requirements, guidance, events and other items of interest.

Sincerely,

Mary E. Burkhart, Supervisor
Radioactive Materials Licensing
