Subject: Chap 3 RAI revision status update

See attached table.

Please note.

Our schedule is currently tracking to 3/31 instead of 3/26. No surprises, yet.

The only RAI with a substantiate rewrite is RAI 3.7.1-15. (revised SSI to include sensitivities).

RAI 3.7.1-14 has 1 figure we are updating for consistency with 3.7.1-15.

RAI 3.7.1-13 has the data attached but it is unchanged from the previous submittal and that is explained in the updated response.

If the schedule is not pulled up to 3/26 we plan on submitting an updated table via FPL letter.

Thanks

Steve Franzone
