Telephone Conversation Record

Date: March 20, 2015, 9:45 am
 License No.: 06-27843-02
 Docket No.(no hyphens): 030-29266
 Mail Control/Report No.: 581560
 Licensee Name: Bristol Myers Squibb
 Participant(s) Name/Title: Brody Smith, attorney, 315-218-8225
 Work Telephone No.: 315-218-8225
 NRC Representative Name/Title: Betsy Ullrich, Senior Health Physicist, RI/DNMS

Subject: new Standby Trust Agreement not yet received

(This is the title that will be used in ADAMS)

Discussion: Brody Smith, attorney for the licensee, is still trying to get the signatures for the replacement Standby Trust Agreement. The bank is reluctant to issue a third STA for the license (we have the current Sept 2012 STA for which a Letter of Acknowledgement is missing, and a STA from 2014 which was not accepted due to the inclusion of funding FA for Agreement State licenses). Brody Smith asked if the NRC could send a letter for the STAs so they could be canceled. I informed him that, once the new STA and all documents required for the FA instrument are accepted, we will return the superseded STAs to Squibb, with a letter stating that they are being returned because they are no longer needed and may be canceled, and we would state that they are superseded by the new instrument. He discussed further pursuit of the second STA but after a review of the FA history for this action, and knowing that the superseded STAs would be returned and could be cancelled, stated that he believes the best way to complete this action is to finish the third STA with all the new supporting documentation.

Action Required: conversation record to file.
