---

Dear Ms. Henderson:

Enclosed are the proposed regulations 32 Ill. Adm. Code Parts 326, 330, 3332 and 340. The proposed revisions correspond to equivalent provisions in the NRC regulations as noted on RATS ID # 2011-1. Please refer to the attached guide, RAM11-1, for cross references.

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Programs (FSME) Procedure SA-200. We request the review of these proposed regulations under FSME Procedure SA-201. Under this procedure, we understand that the review will be completed as soon as possible not to exceed 60 days. We have a concurrent review underway with our legislative review board.

Thank you for your consideration in this matter. Please send us confirmation that these rules have been received and accepted for review. If you have any questions, please feel free to contact me at (217) 558-5135.

Respectfully,

Kelly Horn  
Section Head, Environmental Management  
Bureau of Radiation Safety  
Illinois Emergency Management Agency  
217.558-5135
