Ms. Henderson,

We are submitting the draft rules to the NRC for your review to ensure that they are compatible with NRC regulations. The rules were amended in accordance with RATS ID number 2012-4. A chart to aid you in cross referencing the Ohio rules to the applicable NRC regulations is attached. The draft Ohio rules can be found at <https://www.odh.ohio.gov/rules/drafts/37011-40.aspx> for Ohio rules equivalent to 10 CFR 30 and <https://www.odh.ohio.gov/rules/drafts/37011-46.aspx> for Ohio rules equivalent to 10 CFR 31 & 32.

We believe that these Ohio rules satisfy the compatibility and health and safety categories established in the Federal and State Materials and Environmental Management Programs procedure SA-200.

If you have any questions, please feel free to contact me at 614-644-2732.

Sincerely,

Michael Snee
Radiation Protection
Ohio Department of Health
