Bryan,

I have attached the delegation of authority letter I have on file for MARMC. In addition, I can confirm that there is no PET use at this facility.

Please let me know if you have any additional questions or concerns with this renewal.

Thanks,

Kenneth L. Andrews, M.S., DABR

Re: Delegation of Authority for Material License 24-18040-01

Dear Mr. Andrews,

Upon acceptance of our transfer of control request by the Nuclear Regulatory Commission (NRC) for material license 24-18040-01, which includes your appointment as Radiation Safety Officer for Mineral Area Regional Medical Center, I hereby delegate authority to you to act in accordance with those responsibilities as outlined in the Code of Federal Regulations and more specifically, in 10CFR35.24, "Authorities and Responsibilities for The Radiation Protection Program". On behalf of the management of Mineral Area Regional Medical Center, your communication with the NRC is granted to ensure that we are compliant with all regulations and conditions of our material license and to ensure the safe use of licensed materials at our facility located at 1212 Weber Road, in Farmington, Missouri 63640.

Sincerely,

Lynn Mergen  
Chief Executive Officer  
Mineral Area Regional Medical Center

I fully accept the responsibilities as explained to me above.

A large, stylized handwritten signature in black ink, appearing to read "Kenneth L. Andrews", is written over a horizontal line.

Kenneth L. Andrews, M.S., DABR  
Radiation Safety Officer
