Mike,

Per our conversations last week, we have revised the agenda for the June meeting. Per your request, attached please find the proposed revision to the draft agenda. The agenda as well as the invitation letter are still in concurrence and have not been approved yet. However, we wanted to share the proposed revision to the agenda so that you can see what we have changed from the one you sent us about a week ago. If anything changes as it goes through concurrence, we will communicate those changes to you before we send out the agenda.

Please let us know if you have any questions or concerns with our proposed revisions as soon as possible.

Thank you for your help in advance
