Subject: tribal phone calls status update

Hi Kevin,

Of the 11 tribes that I was tasked with calling (Haimanot took the remaining 12), I spoke with 7 tribes directly and left messages with 4 tribes. Of the 7 that I spoke with directly, 2 have stated that they will not be attending, 0 have confirmed their attendance, and 5 have stated that they may attend.

I will provide you with another update by e-mail on Monday afternoon.

Thanks,
Nate
