NOTICE OF PUBLIC WEBINAR MEETING

Name of Licensee: Exelon Generation Company, LLC

Name of Facility: Oyster Creek Nuclear Generating Station

Docket No: 50-219

Date and Time of Meeting: Monday, April 27, 2015; 3:00 – 4:30 pm (EDT)

Location of Meeting: 2100 Renaissance Blvd.
King of Prussia, PA, 19406

Purpose of Meeting: The U.S. Nuclear Regulatory Commission (NRC) will discuss the NRC's assessment of safety performance at Oyster Creek Nuclear Generating Station for 2014, as described in the annual assessment letter dated March 4, 2015. This is in addition to a public meeting being held on May 28, 2015. Meeting details for the May 28 public meeting will be issued in a future meeting notice.

Meeting Category: This is a Category 3 meeting. The first part of the meeting will be a webinar presentation by the NRC for members of the public. The second part of the meeting will provide members of the public with an opportunity to submit questions in writing on specific performance issues at the plant and our role in ensuring safe plant operations. If you want to submit questions, they can be submitted in writing through the webinar system during the session. In addition, questions may be submitted in advance to Silas Kennedy at Silas.Kennedy@nrc.gov.

Interested members of the public can participate in this meeting via webinar. After registering, you will receive a confirmation email containing information about joining the webinar. This is a virtual meeting where you will be able to see the presentation on your computer and hear the presenters through your computer's speaker system.

If a computer or speaker system will not be available, you will have the option to join a unique listen-only line. People must still register to obtain the unique phone number.

Members of the public may send in questions electronically throughout the webinar. Questions will be answered during the second part of the meeting. In addition, questions may be submitted in advance to Silas Kennedy at Silas.Kennedy@nrc.gov.

In order to participate, please register for the webinar before April 27, 2015, at: <https://attendee.gotowebinar.com/register/8742034799351173633>
