John:

This is to document the conversation between Mr. Phil Gianutsos and me on April 6, 2015 regarding secondary program codes. I informed Phil that I had inadvertently listed Program Code 11200 rather than Program Code 11300 in the email dated March 10, 2015 (ML15077A194). Based on your application, Program Code 11300 is the correct code and will be applied to your license.

In addition, based on your Request for Additional Information Response letter, dated March 12, 2015, the Program Codes 3234 and 3236 listed in the above mentioned email will not be applied to your license.

As always, please note that fees should be discussed with one of our Financial Management Specialists:

William Blaney (William.Blaney@nrc.gov) 301-415-5092
Kelly Reiner (Kelly.Reiner@nrc.gov) 301-415-6246

Very Respectfully,
