--

Docket No. IA-14-025-EA
ASLBP No. 14-932-02-EA-BD01
April 15, 2015

MEMORANDUM

(Advising the Parties About Planned Teleconference)

In response to the Licensing Board's April 6, 2015 memorandum and order, on April 13 the NRC staff provided the Board with a report on the status of the parties' efforts to reach a settlement in this proceeding. See NRC Staff Status Report on Settlement Agreement (Apr. 13, 2015) [hereinafter Staff Status Report]; see also Licensing Board Memorandum and Order (Suspending Prehearing Conference and Requesting Status Report on Settlement Agreement) (Apr. 6, 2014) at 1 (unpublished). In that report, the staff indicated that by the end of this week it hopes to submit a signed settlement agreement and a joint motion seeking Board approval of the agreement and termination of this proceeding. See Staff Status Report at 2.

On the assumption that such a motion will be submitted by week's end, the Board wishes to advise the parties that it anticipates convening a brief teleconference with the parties Tuesday or Wednesday of next week. Once the joint motion to approve the settlement

agreement is filed, Board law clerk Matthew Zogby will be contacting the parties with suggested times for this conference, and the Board requests that the parties be prepared to respond promptly regarding their availability.
