Dear Dr. Golewale,

Re: SIR-Spheres[®] Microspheres Authorized User Training and Certification

This letter certifies that on March 30, 2015, you successfully completed training in the operation of the delivery system, safety procedures and clinical use of SIR-Spheres yttrium-90 microspheres that are to be injected via the hepatic artery to treat patients with unresectable liver tumors in accordance with the June 2012 NRC guidance. This training included three (3) supervised procedures. Your Sirtex Regional Sales Manager, Derek Webster, was the manufacture representative present for all three of these procedures.

Sirtex would like to thank you for your support in this process.

Yours sincerely,

Derek Webster
Regional Sales Manager
