SUBJECT: License: #31-23902-01E and Device Registration NR-01119-D-101E
Change of Location for Distribution

Dear Ms. Xu,

In continuation to our recent correspondence and the email from Mr. Tomas Herrera, please be advised that we have now received the NY State possession license for our new location at 107 Allen Boulevard, Farmingdale, NY 11735. Please note that, in order to facilitate the move and the license shows both the current and future addresses for our facility. However, as soon as a closeout survey (for surface contamination) has been submitted, the State of New York will issue another amendment removing the current (Central Ave) location. A copy of the new amended NY State license showing the new warehouse is provided and, upon receipt, the amendment removing the current address will be forwarded to you for your records.

In response to the information requested by Mr. Herrera, please be advised of the following:

1. We confirm that there have been no changes to Meprolight's products since our last amendment.
2. We confirm that there will be no changes regarding our quality assurance program at the new location.
3. The following table shows the number of individual products (and tritium activity) to be transferred from the old location to the new one.

FAMILY (SERIES)	QTY	TOTAL CI
1150 Rifle Sights	5	0.12
115P Rifle Sights	4	0.08
750 Rifle Sights	593	10.694
750 Pistol Sights	1201	23.991
750 Optical Sights	15	2.886
		37.771

To reiterate our original request, please remove all current locations from our license and add the one new location of 107 Allen Boulevard, Farmingdale, NY 11735.

We have notified our supplier and customers that we will not be receiving or distributing any product during the period 28 April to 3 May. Your help in coordinating this amendment to be effective during this time frame will be greatly appreciated so that we do not encounter delays in distribution.

Thank you for your expeditious attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads 'Brad Fisher'.

Brad Fisher
President
