Subject: Oconee Nuclear Station
Docket Nos. 50-269, -270, -287
Additional Copies of Application for Renewed Operating Licenses

By letter dated July 6, 1998, Duke Energy Corporation (Duke) applied for the renewal of the Operating licenses for Oconee Nuclear Station, Units 1, 2, and 3 (Application). An original and thirteen copies of the Application were provided to the Nuclear Regulatory Commission (NRC). In addition, a copy of the Application was provided to the NRC Region II Administrator. Twenty-six additional copies of Volume IV of the Application, Exhibit D, Environmental Report - Operating License Renewal Stage, were provided directly to the NRC Environmental Project Manager for Oconee license renewal.

By letter dated August 5, 1998, the NRC staff notified Duke that the Application previously submitted contains sufficient information that is complete and acceptable for docketing. Therefore, in accordance with the requirements contained in 10 CFR § 50.4, please find attached twenty-six additional copies of Volumes I, II and III of the Application. A copy of the complete Application is also being provided to the NRC Resident Inspector assigned to Oconee.

If there are any questions, please contact Bob Gill at 704-382-3339.

Very Truly Yours,

W. R. McCollum Jr., Site Vice President
