Selected Licensee Commitments Manual (SLC)

Gentlemen:

Pursuant to 10CFR 50.4 and 50.71, please find attached 7 copies of the latest revisions to the Oconee Selected Licensee Commitments Manual. The SLC Manual is Chapter 16.0 of the Oconee UFSAR. This manual is intended to contain commitments and other station issues that warrant higher control, but are not appropriate for inclusion into the Technical Specifications (TS). Instead of being updated with the annual UFSAR Update, the SLC Manual will be updated as necessary throughout the year.

Very truly yours,

W. R. McCollum, Jr.
Vice President

To: Manual Holders

Subject: Oconee SLC Revision

Please revise your SLC Manual according to instructions. SLC 16.7-3 revision removes the low feedwater header pressure initiation reference in the bases. SLC 16.9-2 through 16.9-6 defines the operability requirements of various Fire Protection Systems at Oconee and Keowee.
