UFTR Operating License R-56, Docket 50-83

Subject: **Security Plan Changes Performed Under 10 CFR 50.54(p); Final Security Procedures with RAI Responses Incorporated**

NOTICE: When separated from Safeguards Information designated as Safeguards Information – Modified Handling attachment, this document is decontrolled provided the transmittal document does not otherwise warrant protection from unauthorized disclosure.

The UFTR has revised its Security Plan to incorporate RAI responses. A report of the changes and a copy of the revised Security Plan and supporting procedures are attached.

The revisions have been reviewed and approved by UFTR management and by the Executive Committee of the Reactor Safety Review Subcommittee.

The changes have been evaluated for impact on security effectiveness and the determination made that no loss of security effectiveness results from these changes.

I declare under penalty of perjury that the foregoing and attached are true and correct to my knowledge.

Executed on April 7, 2015.
