Response to NRC Administrative Letter 94-12:
Operator Licensing National Examination Schedule

Gentlemen:

On September 12, 1994, the NRC issued Administrative Letter 94-12 to request addressees, on a voluntary basis, to submit information pertaining to their previous estimates of the number of candidates to be tested for fiscal years (FYs) 1995 through 1998. The estimates will assist the NRC in planning its resources.

Accordingly, Attachment 2 to this letter provides the requested information for McGuire, Catawba, and Oconee Nuclear Stations.

Should you have any questions or require any additional information regarding this submittal please contact Richard Bugert at (704) 875-5058.

Very truly yours,

M. S. Tuckman
Senior Vice President
Nuclear Generation

adj/al
