Dear Mr. Lundberg:

The Office of Nuclear Material Safety and Safeguards has received your letter dated April 3, 2015 transmitting the Utah revised final regulations for Part 39 provisions not associated with a RATS ID. The review has been assigned to Randy Erickson, and it is our goal to complete the review within 60 days.

**Please note: For future reference, please send all regulation correspondence to this mailbox, as it is monitored.**

Thank you for your attention to this matter.
