COMMISSIONER

The Honorable Mark S. Kirk
United States House of Representatives
Washington, DC 20515

Dear ~~Congressman Kirk~~: *Mark*

Thank you for your kind note regarding my reappointment to the United States Nuclear Regulatory Commission. Fortunately, the Senate was able to act on my nomination prior to the August work period, so my gap in service was limited to five (5) weeks.

As you and I discussed earlier this year, I would be pleased to travel to your District later this year to visit the Zion Nuclear Power Plants. Please give me a call when you return to Washington after Labor Day so we can coordinate a mutually convenient time.

I am certain you are keeping busy back in Illinois, and I hope it has been a productive summer.

With best wishes,

Dear Governor Bush:

As sometimes happens since 9/11, our mail service was delayed. Only today did I receive your invitation to attend the reception celebrating Florida's Hispanic Heritage to be held tomorrow, October 14, 2004, in Lake Buena Vista, Florida. Thank you for the invitation. It would have been an honor and pleasure to attend the celebration and visit with you, Mrs. Bush, and my colleagues. However, due to only just receiving the invitation and the fact that I will be on official travel tomorrow, I must send my regrets.

Again, thank you and best wishes.

Sincerely,

Nils J. Diaz
