Re: Possession of Nuclear Moisture
Gauges for Roof Scan, Inc.

Dear Mr. Sattar Lohdi,

This letter is to inform the US Nuclear Regulatory Committee that David Rathbun and Carl Cipriani have transferred ownership of Roof Scan, Inc. to Christopher Jordan and Brian Jordan on December 31, 2014. Transferred with the stocks of the corporation were all pertinent tools and instruments used to perform the activities of the corporation. Included in this inventory were three (3) Troxler Model No. 3216 Rooftop Moisture Gauges, serial nos. 77, 242, and 246.

The aforementioned represents the full and complete inventory of radioactive materials for Roof Scan, Inc. Said inventory is currently in possession of Radiation Safety Officer Christopher Jordan, under the authority of the New York State Department of Health, license no. C5684.

Please feel free to contact us if you have any questions or need any additional information.

Sincerely,

Christopher Jordan
President
Roof Scan, Inc.
