Please open amendment actions for the following licenses, and assign both to me even though the -01 license is now a Branch 1 license.

License Nos. 52-31352-01MD and 52-31352-02  
Docket Nos. 030-37882 and 030-37957

Both these licenses are for International Cyclotron, Inc. We will amend the licenses administratively to change the mailing address to Dr. K's home address, in order to avoid undeliverable mail.

Owner/President's Home address:
