Dear Mr. Lim:

I write to express my gratitude to you and your staff for arranging the visit to the Shin Kori Unit 3 Nuclear Power Plant site on April 9, 2015. I, along with my colleagues on the U.S. Nuclear Regulatory Commission (NRC) delegation, gained a greater understanding of the site's post-Fukushima enhancements, as well as updates on the potential start-up dates for ShinKori Units 3 and 4 and future construction plans at the site. We found the tour of the all-digital control room to be very informative.

Once again, thank you for hosting our visit and for the kind hospitality you showed us. I wish you and your staff much success in executing your regulatory mission at the Kori nuclear power plant site.

Sincerely,
