

April 30, 2015

MEMORANDUM TO: Barry C. Westreich, Director  
Cyber Security Directorate  
Office of Nuclear Security and Incident Response

FROM: Russell Felts, Deputy Director */RA/*  
Cyber Security Directorate  
Office of Nuclear Security and Incident Response

SUBJECT: SUMMARY OF CLOSED MEETING: THE U.S. NUCLEAR  
REGULATORY COMMISSION STAFF AND SOUTHERN NUCLEAR  
COMPANY DISCUSS CYBER SECURITY INFORMATION FOR  
VOGTLE 3 AND 4

On April 23, 2015, staff from the Cyber Security Directorate and the Office of New Reactors met in a closed meeting with representatives of Southern Nuclear Company at the U.S. Nuclear Regulatory Commission office, 11601 Landsdown Street, Rockville, Maryland 20852. The purpose of the meeting was to discuss security-related information regarding cyber security for Vogtle 3 and 4. The staff determined that the information to be discussed was Official Use Only – Security-Related Information; therefore, the meeting was closed to the public. The meeting agenda and list of attendees are included in Enclosures 1 and 2, respectively.

Enclosures:  
1. Agenda  
2. Meeting Attendance
