The following additional information is needed to complete the review of your request to add a new Radiation Safety Officer.

Please submit a "Delegation of Authority" for the Radiation Safety Officer (see model "Delegation of Authority").

Please have the Chief Executive Officer (or designee) and the Radiation Safety Officer sign the "Delegation of Authority" document.

Model Delegation of Authority to RSO

Memo To: Radiation Safety Officer
From: Chief Executive Officer (or designee)
Subject: Delegation of Authority

You, (name of the proposed Radiation Safety Officer), have been appointed radiation safety officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program, identifying radiation protection problems, initiating, recommending, or providing corrective actions, verifying implementation of corrective actions, stopping unsafe activities, and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. It is estimated that you will spend _____ hours per week conducting radiation protection activities.

Signature of Management Representative _____ Date

I accept the above responsibilities,

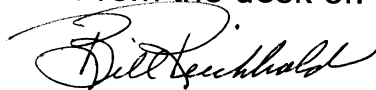

Signature of Radiation Safety Officer _____ Date

cc: Affected department heads
