Re: NUREG-2176

Dear Commissioners:

We live in the the historic and beautiful Coconut Grove section of Miami, a short distance due north of Turkey Point. A southerly breeze would bring the tragic effects of a nuclear disaster at Turkey Point straight to our homes and our lives in Coconut Grove, adding our community to the names Fukushima, Three Mile Island, and Chernobyl. Accordingly, we respectfully request that you reject the application for additional nuclear facilities at Turkey Point.

Thank you.

Sincerely yours,

Daniel A. Kavanaugh
