Thanks, Rich. Supplements do not get their own NUREG number, per se. They are issued as supplements to a NUREG. So, this one will be NUREG-1930, Supplement 2. We did this with Supplement 1 (<http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1930/>), as well.

Mike,

I'll check with the project regarding the paper copies and get back with you.

Question, the supplements are to NUREG-1930. I did not realize that they got their own NUREG numbers.

Rich,

Now that we are done with the ACRS, I am going through the process of getting SER Supplement 2 published as a NUREG. Would Entergy like to have any paper copies of the NUREG and, if so, how many?

Thanks,  
Mike
