Dear Mr. White:

In order for QSA Global to address the questions raised in your 14 April 2015 letter, additional testing will be performed. Because of this testing, we will not be able to respond to the questions in your letter by the original response date of 8 May 2015. We request an extension until 1 June 2015 to submit the response to your letter. This will allow us to complete our testing and compile a response to the remaining open issues. Should you have any additional questions or wish to discuss this response after receipt please feel free to contact me.

Sincerely,

Lori Podolak
