Subject: RE: 2015 FL Draft IMPEP report

Randy-
Sorry for the delay.

Two minor changes are requested.

- On page 2, second paragraph the correct division is the “Division of Emergency Preparedness and Community Support” instead of Environmental Health.
- On page 11 in the discussion section. The Radiation Protection Act (Chapter 404) is in Title XXIX instead of Title X. The Administrative Procedures Act (Chapter 120) is correctly listed in Title X

How am I doing? Please let me know by taking this short survey. Thank you!

[Bureau of Radiation Control](#)

Our mission is to protect & improve the health of all people in Florida through integrated state, county, & community efforts.

Our Vision is to be the Healthiest State in the Nation

Our Values (I CARE):

- I**nnovation: We search for creative solutions and manage resources wisely.
- C**ollaboration: We use teamwork to achieve common goals and solve problems.
- A**ccountability: We perform with integrity and respect.
- R**esponsiveness: We achieve our mission by serving our customer and engaging our partners.
- E**xcellence: We promote quality outcomes through learning and continuous performance improvement.

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.
