CHAIRMAN ZECH: Good morning, ladies and gentlemen. This is an affirmation session. Commissioners Bernthal and Rogers are not with us this morning.

I understand we have one item before us for affirmation. Before asking the Secretary to walk us through the item, do any of my fellow Commissioners have any comments?

If not, Mr. Hoyle, would you proceed, please.

MR. HOYLE: Thank you, Mr. Chairman.

The one item is SECY 88-26, the title of which is Response to Certified Question Propounded by the Appeal Board to the Commission in the Matter of General Public Utilities Nuclear.

In this paper the Commission is being asked to approve an order responding to a question certified to it by the Appeal Board as to whether the Commission wishes to expand the subject matter jurisdiction of this proceeding retroactively to include information regarding Mr. Charles Husted's job performance following the cheating incidents.

All Commissioners have approved the order with modifications suggested by Commissioners Carr and Bernthal which responds in the affirmative to the certified question.

I would ask the three Commissioners present to affirm their votes. The other two Commissioners would vote yea had they been here.

1 May I ask you to affirm your votes.

2 CHAIRMAN ZECH: Aye.

3 COMMISSIONER ROBERTS: Aye.

4 COMMISSIONER CARR: Aye.

5 CHAIRMAN ZECH: Anything else to come before us this

6 morning?

7 MR. HOYLE: No, sir.

8 CHAIRMAN ZECH: If not, we stand adjourned.

9 [Whereupon, at 11:06 a.m., the meeting was adjourned.]

REPORTER'S CERTIFICATE

This is to certify that the attached events of a meeting of the U.S. Nuclear Regulatory Commission entitled:

TITLE OF MEETING: Affirmation/Discussion and Vote

PLACE OF MEETING: Washington, D.C.

DATE OF MEETING: Thursday, February 18, 1988

were held as herein appears, and that this is the original transcript thereof for the file of the Commission taken stenographically by me, thereafter reduced to typewriting by me or under the direction of the court reporting company, and that the transcript is a true and accurate record of the foregoing events.
