SUBJECT: VOID LETTER CONCERNING APPLICATION FOR NEW LICENSE, CONTROL  
NO. 585904

Dear Ms. Russette:

This concerns the subject application for a new material license and our email in which we notified you that the application was deficient and that certain additional information was required. You requested an extension to respond to Friday because you were at a rural construction site.

You are hereby notified that unless within thirty (30) days from the date of this notice we receive the additional information requested, we will consider that you have abandoned your application. This action is without prejudice to the resubmission of an application.

Sincerely,

Jacqueline D. Cook, Senior Health Physicist  
Nuclear Materials Safety Branch B
