PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- No agency records subject to the request have been located. For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.
- Certain information in the requested records is being withheld from disclosure pursuant to the exemptions described in and for the reasons stated in Part II.
- This determination may be appealed within 30 days by writing to the FOIA/PA Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Clearly state on the envelope and in the letter that it is a "FOIA/PA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

Although it is expected to do so shortly, the NRC has not yet published NUREG/KM0008 (August 2014) and the accompanying video, "NRC's Reflections on Fukushima." However, in an effort to complete our processing of your request, now that the post-production work on the video has been completed, we have obtained a copy of the video, which is on the enclosed DVD.

[Note: Subsequent to the issuance of this response on December 17, 2014, due to technical difficulties in posting a video to the Electronic Freedom of Information Reading Room, the NRC posted the video, "Reflections on Fukushima" to its Office of Public Affairs webcast portal, which may be found at the following link: <http://video.nrc.gov>. The video may be found by searching the 2014 archive by its title; it is dated April 24, 2014.]
