MAY 12 2015

C. Kelly Stoneberg
Radiation Safety Officer
Sharon L. Long Consulting
1296 Russell Drive
Bolivar, OH 44612

Dear Mr. Stoneberg:

It has come to our attention that Amendment No. 04 to your NRC Material License No. 34-26655-02 issued on January 22, 2014, contained an error.

Specifically, an error was made by another reviewer in September 2005 when your license was last renewed. In Amendment No. 01, Condition No. 20.B., the wording and date were incorrect, as follows: "Facsimile dated September 1, 2005, with attached update dated August 30, 2005..."

We have changed this now to read, "Facsimile dated September 1, 2005, with attachment dated September 1, 2005..." which is correct.

Please note that the changes made to your license are printed in **bold** font.

We apologize for this error and for any inconvenience it may have caused you.

Please contact me at (630) 829-9841 or (800) 522-3025, ext. 9841 if you have any questions. My fax number is (630) 515-1078 and my email address is colleen.casey@nrc.gov.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink that reads "Colleen Carol Casey".

Colleen Carol Casey
