RE: Strata Energy Inc., Ross ISR Project, Docket #40-9091, Supplement to Kendrick Expansion Area Amendment to License SUA-1601; Affidavit for Historic and Cultural Resources, Environmental Report Addendum 3.8-A, Environmental Report Addendum 3.11-C, and Technical Report Addendum 2.9-C

Dear Sir or Madam:

By this letter, Strata Energy, Inc. (Strata), a United States-based, wholly owned subsidiary of Peninsula Energy, Ltd. (Peninsula) submits the following supplements in accordance with the March 20, 2015 cover letter to the Kendrick Expansion Area (KEA) Amendment to License SUA-1601:

- 1) An affidavit to protect historic and cultural resource information from public disclosure under 10 CFR § 2.390(a)(3),
- 2) A complete replacement for Environmental Report (ER) Addendum 3.8-A,
- 3) A complete replacement for ER Addendum 3.11-C, and
- 4) A complete replacement of Technical Report (TR) Addendum 2.9-C.

The above noted documents are being provided electronically on compact disc to expedite uploading to ADAMS. A change index is provided with this cover letter to facilitate this update to the KEA amendment application.

For clarification, the above referenced historic and cultural resources report (ER Addendum 3.8-A) is not being provided to the Bureau of Land Management, Newcastle Field Office. The KEA Amendment does not include lands managed by the BLM nor does it fall

within the jurisdiction of the Programmatic Agreement executed for protection of cultural resources within the currently licensed Ross ISR Project.

Strata appreciates the opportunity to submit this supplemental information to the license amendment application, and looks forward to working with NRC Staff in the near future to ensure that Strata's license is amended and remains protective of public health and safety and the environment. If you have any questions, please do not hesitate to contact me at your convenience. Thank you for your time and consideration in this matter.

Respectfully submitted,
