Subject: North Pass Amendment request dated April 30, 2015
Date: Tuesday, May 19, 2015 9:32:44 AM

Dear Mr. Howe,

This email is in response to your amendment request dated April 30, 2015. After reviewing your request, we found that additional information is needed to proceed with the amendment of your registration certificate NR-1382-D-101-E.

Please provide the following information:

1. Confirm that there have been no changes to the gun sights since the initial issuance of the registration certificate.
2. Confirm that there will be no changes in the Quality Assurance Program submitted to the NRC at the new facility.
3. There appears to be differences in the name of your company between the two NRC issued licenses and the registration certificate:

Possession License (49-35184-01) lists the following name:

North Pass Ltd., dba HiViz Shooting Systems

Exempt Distribution License (05-35121-01E) lists:

Northpass, LLC, DBA Hi-Viz Shooting Systems

Device Registration Certificate (NR-1382-D-101-E) lists:

North Pass, Ltd., dba HIVIZ Shooting Systems

In your April 30, 2015, letter you requested that the following be listed as a new location: **Northpass Ltd., DBA HiViz Shotting Systems**

Please identify the name as it should appear on all three documents.

4. Confirm whether the new location in Laramie, Wyoming should also be listed at the manufacturer on the device registration certificate.

If you intend to submit the information to us via email, the information should be submitted in an official company letter as an attachment to an e-mail. Please submit the requested information within 30 calendar days of the date of this email. If we have not received the complete information within 30 days, we will consider your amendment request as having been abandoned by you. This is without prejudice to the submission of a complete new amendment request.

Thank you,
