Subject: Turkey Point Nuclear Plant Expansion

Re: NUREG-2176 Cindy Bladey, Office of Administration Mail Stop: OWFN 12 H8 U.S. Nuclear Regulatory Commission, Washington, DC 20555-000

As Florida residents, we are very concerned about the ecological and social damage from the proposed expansion at TurkeyPoint.

We are opposed to this expansion and ask the commission to look for alternatives.

Jorge and Paloma Prugue
