**To:** TurkeyPointCOLEIS Resource  
**Subject:** Concerned citizen

It is a serious matter to chance raising the water temperature and negatively affecting the wildlife of the Florida Keys. As a Florida resident I beg of you to find a more suitable way or place to increase electricity production here in our beautiful state.

As a voter I will be unable to support anyone sponsoring this proposal.

Sincerely,

Monica D. Phillips  
41 Angelfish Cay Drive  
Key Largo, FL 33037
