

TurkeyPointCEm Resource

From: Doug Mayer [Doug.Mayer@stonesoupdevelopment.net]
Sent: Tuesday, May 12, 2015 12:42 PM
To: TurkeyPointCOLEIS Resource
Subject: Turkey Point Nuclear Expansion

To Whom It May Concern:

We are totally opposed to the expansion of nuclear generated energy at Turkey Point - for the following reasons:

- 1) Too dangerous (as in the Fukushima disaster in Japan)
- 2) Too expensive
- 3) No long term solution for waste disposal
- 4) I would rather FPL spend the money on solar and wind generation.
