SUBJECT
Our review of your request for renewal dated December 3, 2014

SUMMARY
We have conducted a preliminary review of your license renewal application dated December 3, 2014, and find that we are unable to continue this action until we have received information regarding the following:

Item 10 on Area Surveys is inaccurate as written in the application as the reference is incorrect. Please use NUREG-1556 Volume 9, Revision 2 to find the correct reference on Area Surveys and provide updated language in your response.

ACTION REQUIRED (IF ANY)

We have reviewed your renewal application and find that we are unable to continue this action until we have received additional information outlined below of this conversation record. Include in your response a signed and dated cover letter. The additional information can either be faxed to 630-515-1259 or it can be scanned into a pdf and emailed to the email address below.

Direct any questions you have to me at (630) 829-9862 or vered.shaffer@nrc.gov.

As discussed, we expect to receive your written response on or before March 31, 2015.
