SUBJECT: RE-ISSUANCE OF PERKINELMER ASLS, INC. REGISTRATION CERTIFICATE
NO. NR-0536-D-110-B

Dear Ms. Cantas:

The U.S. Nuclear Regulatory Commission has corrected and re-issued your Registration Certificate NR-0536-D-110-B. The following typos and omissions were found in Registration Certificate NR-0536-D-110-B dated September 23, 2010.

1. The "References" Section (Page 10) referenced a PerkinElmer e-mail dated September 13, 2010, however the correct date of the e-mail is September 10, 2010. The date has been corrected in the registration certificate.

Please use Registration Certificate NR-0536-D-110-G, dated May 21, 2015. A copy of the amended Registration is enclosed.

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate.

Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing should you decide to no longer manufacture, distribute, or offer service support for the product.

E. Cantas
