**Subject:** Support the "No Action" Alternative Re: NRC-2009-0337 Turkey Point 6 & 7 Expansion

In reference to Docket ID: NRC-2009-0337, I oppose FPL's proposal to build two more nuclear reactors at their Turkey Point site in South Florida. I request that the Nuclear Regulatory Commission and U.S. Army Corps of Engineers support the "No Action" alternative. The Miami-Dade County area is highly populated and functioning nuclear reactors within the county would represent a constant threat to the lives of the residents.
