IN RESPONSE REFER
TO FOIA/PA-2015-0024A
(FOIA/PA-2015-0181)

Dear Mr. Tarver,

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter dated April 3, 2015, in which you appealed the agency's March 25, 2015, decision related to your March 10, 2015, Freedom of Information Act/Privacy Act (FOIA/PA) request (FOIA/PA-2015-0181). You appealed the adequacy of the search performed.

Acting on your appeal, the Office of Nuclear Security & Incident Response confirmed that it did not locate any responsive records; however, a wider search of the four NRC regions did locate a responsive record. It is enclosed.

This is the NRC's final decision. As set forth in the FOIA (5 U.S.C. 552(a)(4)(B)), you may obtain judicial review of this decision in a district court of the United States in the district in which you reside or have your principal place of business. You may also obtain judicial review in the district in which the NRC's records are located or in the District of Columbia.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation.

You may contact OGIS in any of the following ways:
