Request for Extension of Time

On June 26, 1996, the Commission issued an Order in this matter requiring that counsel particularize contentions made in its filing of June 14, 1996. The Commission required the supplemental filing within 15 days of the date of its order which calculates to July 11, 1996.

This request is to extend the time for filing to August 2, 1996. The primary reason for the request is that counsel is committed to attend a family reunion out-of-state from June 29 through July 6. In addition, counsel is heavily committed to business and business travel for the two weeks following the family reunion.

NRC staff counsel has no objection to this extension of time providing licensee agrees to remain in compliance with the March 15, 1996 Confirmatory Order. (See Attachment A). Licensee agrees.

In the Matter of  
INNOVATIVE WEAPONRY, INCORPORATED  
Docket No. 030-30266 EA 96-170

Dear Mr. Tourtellotte:

This is in response to our discussions regarding any extension of time your client, Innovative Weaponry, Incorporated, might seek to respond to the Commission's Order dated June 26, 1996. You are hereby authorized to state that the NRC staff does not oppose a licensee motion for enlargement of time in which to file the bases for its contentions as required by the Commission's Order dated June 26, 1996, provided any such motion also explicitly states the licensee's intention to remain in compliance with the May 15, 1996 Confirmatory Order issued by the Director of the NRC's Office of Enforcement during pendency of this matter.

Sincerely,

  
Eugene Holler  
Counsel for NRC Staff
