CHAIRMAN ZECH: Good afternoon, ladies and gentlemen.

This is an affirmation session. We have two items to come before us this afternoon.

Before I ask the Secretary to lead us through the two items, do any of my fellow Commissioners have any opening comments they'd like to make?

If not, Mr. Secretary, you may proceed.

SECRETARY CHILK: Mr. Chairman, the Sunshine Act requires a vote to hold on less than one week's notice these two items.

One of them is the affirmation of SECY 89-57, entitled "Reconsideration of Decommissioning Funding Order, CLI 8810."

And the second item is SECY 89-72, the Commission ruling on the Intervenor's motion for a directed certification of scheduling issue.

I wonder if I might have a vote to hold on less than one week's notice.

(Ayes.)

SECRETARY CHILK: Thank you.

The first item, 89-57, Reconsideration of

1 the Decommissioning Funding Order, published in CLI
2 8810. The Commission here was asked to act on motions
3 to reconsider its December 21st, 1988, decision which
4 established the decommissioning fund requirements for
5 the Seabrook station. All Commissioners have approved
6 an order which was attached to our March 2nd
7 memorandum which denies a motion to reconsider.

8 Would you please affirm your votes?

9 (Ayes.)

10 SECRETARY CHILK: The second item is 89-72,
11 the Commission ruling on the Intervenor's motion for a
12 directed certification of a scheduling issue. Here
13 the Commission is being asked to approve a response to
14 the Intervenor's motion for directed certification of
15 issues raised by a scheduling order of the licensing
16 board relating to the hearing of off-site emergency
17 planning.

18 Chairman Zech, Commissioners Rogers, Carr,
19 and Roberts, have approved the order denying the
20 motion. Commissioner Curtiss did not participate in
21 this matter.

22 Would you please affirm your votes?

23 (Ayes.)

24 CHAIRMAN ZECH: Anything else to come before
