WILLIAM C. PARLER, General Counsel

P R O C E E D I N G S

(3:50 p.m.)

CHAIRMAN ZECH: Good afternoon, ladies and gentlemen.

This is an affirmation session. We have one item to come before us this afternoon. Before I ask the Secretary to walk us through this item, do any of my fellow Commissioners have any comments they would like to make?

(No response.)

If not, Mr. Secretary, you may proceed.

MR. CHILK: The matter before the Commission, Mr. Chairman, is SECY-89-89, entitled Effectiveness Review of Final Initial Decision. In this paper, the Commission is being asked to act on an order which would indicate whether the Licensing Board decision, granting General Public Utilities' application for an operating license amendment that would delete prohibitions on the disposal of the accident-generated water, should be made effective immediately.

All Commissioners have approved the order which finds that the Licensing Board decision should become effective immediately.

Would you please affirm your votes?

(Chorus of ayes.)
