NUCLEAR REGULATORY COMMISSION

June 2, 2015

Mr. Cornelius Antone, Co-Chair
US EPA Region 9 – Regional Tribal
Operations Committee
75 Hawthorne St.
San Francisco, CA 94105

SUBJECT: COMMENTS ON THE DRAFT TRIBAL POLICY STATEMENT AND TRIBAL
POLICY MANUAL

Dear Mr. Antone:

I would like to thank you for letting Sandy and me attend your Spring Regional Tribal Operations Committee meeting in San Francisco. We enjoyed providing information about the Nuclear Regulatory Commission's duties and activities, and we also learned a great deal from the other presentations and conversations with EPA Region 9 Tribal Caucus members.

We welcome questions, comments, and/or suggested revisions on either the draft Tribal Policy Statement or Tribal Policy Manual from members of the EPA Region 9 Tribal Caucus. Your May 26, 2015 letter requested a 60-day extension, to July 31, 2015, for submitting comments. We have decided not to extend the public comment period on the draft Tribal Policy Statement and Tribal Policy Manual, but we will consider late-filed comments submitted to the NRC before July 31, 2015. We encourage the members to submit their comments as soon as possible to help support our administrative process.

It was a pleasure meeting you and we look forward to the Caucus' comments.

Sincerely,

/RA/

Federal, State, and Tribal Liaison Branch

and Rulemaking Programs
