Tom:

Attached is CBO's response to RAI's 12E , 12F, 12G.1, and 13 for the MEA Technical Report. The responses include the redline text that will be incorporated into the final Technical Report. In these submittals, the Tetra Tech (2015) Report is being submitted as a revision to Appendix BB. Due to the size of this response, it is being submitted in six emails.
