telephone number and pass code for the prehearing conference call. Members of the public or media who wish to listen to this conference call may do so, and should contact Mr. Zogby for the requisite information at 301-415-5880 or [matthew.zogby@nrc.gov](mailto:matthew.zogby@nrc.gov).

<sup>2</sup> Subsection (h) of section 2.338 states that a proposed settlement agreement must contain the following four items:

- (1) An admission of all jurisdictional facts.
- (2) An express waiver of further procedural steps before the presiding officer, of any right to challenge or contest the validity of the order entered into in accordance with the agreement, and of all rights to seek judicial review or otherwise contest the validity of the consent order;
- (3) A statement that the order has the same force and effect as an order made after full hearing; and
- (4) A statement that matters identified in the agreement, required to be adjudicated have been resolved by the proposed settlement agreement and consent order.

10 C.F.R. § 2.338(h).

<sup>3</sup> In the interests of efficiency and accuracy, the parties are requested to provide a joint filing setting forth any objections/proposed corrections to the draft summary of settlement agreement terms on or before Tuesday, June 9, 2015.

3. Relative to the April 2015 settlement agreement's terms:
  - a. Whether, and how, does the work restriction in paragraph 1.a of the settlement agreement, see Settlement Agreement at 1, differ from that imposed in paragraph IV.1 of the staff's July 2014 enforcement order, see In the Matter of James Chaisson, 79 Fed. Reg. 42,057, 42,058–59 (July 18, 2014).
  - b. Whether, and how, does the staff review provision of paragraph 1.a.i of the settlement agreement, see Settlement Agreement at 1, differ from the staff review provision in paragraph IV.3.b of the staff's July 2014 enforcement order, see 79 Fed. Reg. at 42,059.
  - c. Whether, and how, do the training requirements of paragraph 1.a.ii of the settlement agreement, see Settlement Agreement at 2, differ from the training provisions of paragraph IV.3.a of the staff's July 2014 enforcement order, see 79 Fed. Reg. at 42,059.
  - d. Under paragraph 1.a.iii of the settlement agreement regarding shadowing a radiation safety officer (RSO), see Settlement Agreement at 2–3, (1) how much in advance does Mr. Chaisson need to submit his request to NRC Region IV for approval of an RSO; (2) what knowledge/information regarding safe radiographic operations does the staff anticipate Mr. Chaisson will acquire relative to each of the specific audits listed in paragraph 1.a.iii; and (3) what are the parties' expectations about the difficulty that Mr. Chaisson will have in fulfilling the shadowing requirement in light of the specific audits listed in paragraph 1.a.iii.

- e. What are the first and subsequent due dates for Mr. Chaisson's quarterly summaries required under paragraph 2.a.i of the settlement agreement, see id. at 3.
  - f. Whether, and how, does the prohibition on working for an NRC licensee in certain specified positions in paragraph 2.a.v of the settlement agreement, see id. at 4, differ from the prohibition in paragraph IV.4.c of the staff's July 2014 enforcement order, see 79 Fed. Reg. at 42,059.
  - g. How long does the penalty provision of paragraph 3 of the settlement agreement apply relative to a purported failure by Mr. Chaisson "to comply with NRC requirements, regulations, or license conditions while engaged in NRC-licensed activities," Settlement Agreement at 4, i.e., assuming Mr. Chaisson timely complies with the other provisions of the settlement agreement, what is the last date upon which this provision could be the authorizing basis for the staff "to issue an order prohibiting him from engaging in all NRC-licensed activities for a period up to a lifetime ban," id.
- 4. Whether Mr. Chaisson was obligated under the Atomic Energy Act (AEA) or the agency's implementing regulations to disclose to the agency his recent criminal conviction, which did not arise under his work as a radiographer.<sup>4</sup>
  - 5. Whether the Board is obligated to consider Mr. Chaisson's recent criminal conviction, which did not arise under his work as a radiographer, in approving or

---

<sup>4</sup> In responding to this item, the Board would be interested in hearing from the staff regarding whether the AEA or NRC rules/policies/guidance impose any duty on a radiographer, or a company for which he/she is working, to disclose to the agency any criminal charge or conviction entered against a radiographer while he/she is employed as, or is the subject of an NRC enforcement action regarding his/her activities as, a radiographer.

disapproving the parties' April 2015 settlement agreement under the four-part findings the Board must make in accord with 10 C.F.R. § 2.338(i).<sup>5</sup>

It is so ORDERED.

<sup>5</sup> Agency case law indicates that in making a settlement agreement approval determination, a presiding officer is to consider:

(1) whether, in the view of the agency's original order and the risks and benefits of further litigation, the settlement result appears unreasonable; (2) whether the terms of the settlement appear incapable of effective implementation and enforcement; (3) whether the settlement jeopardizes the public health and safety; and (4) whether the settlement approval process deprives interested parties of meaningful participation.
